

Memorial Pieces

Loving Companion.. Commemorate your loved one with a beautiful tribute piece. These specially crafted pieces can be placed at entryways, along garden paths, churches and playgrounds. Each piece is made using durable materials to endure years of harsh weather. They can be placed indoors or out. We have artists with over 30 years experience creating and sculpting intricately detailed pieces. Animal sculptures are in high demand. When it comes to a memory piece, preserving your memories is possible with a detailed piece made of gfrc or stone finish. The 4 Kids sculptures are custom designed and crafted of environmentally safe and virtually maintenance free materials. When you're ready, contact us for more information.
