

American Eagle Sculpture

Nothing captures the pride of being an American like the sight of this giant and regal bird in flight. The American Eagle Sculpture stands out among other birds, capturing the hearts and minds among young children and adults alike. It can be used inside for a display or as a decorative piece or outside as part of a larger exhibit. The 4 Kids creates and designs interactive sculptures for a variety of uses in playgrounds, children's museums and commercial activities.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
