Ant Log Crawler

This Giant
Ant Log Crawler is certain to be a favorite of kids on the playground. Replicas of the real thing, only these are 4 feet tall. A star at the Carnegie Museum in Pittsburgh, Pennsylvania, these unique playground sculptures are welcome at everyone's picnic. Crafted from glass fiber reinforced concrete and designed by experts who use the most stringent safety measures to ensure durability, these crawlers are virtually maintenance free in any kind of weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
