

Austin Gazebo

Every park or playground needs a shelter for visitors to escape from the hot sun or the weather. Why not make that shelter something special, especially in a nature themed park, with The 4 Kids' Austin Gazebo. Topped by a hexagonal designed roof with a unique pattern in a choice of finishes, the Austin Gazebo offers park visitors a haven for taking a break from a day of fun. Shady and comfortable, the Austin Gazebo is also beautiful, with an organic simplicity that blends well in a nature themed park or playground. Constructed with cutting edge building materials, the Austin Gazebo is durable in all kinds of weather, and safe.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
