

Australian Shepherd Pup

Who's ready to play? This Australian Shepherd Pup Sculpture is on the job. The 4 Kids team of expert artisans constructed this play sculpture with high-quality, highly durable material that withstands weather and UV light. Because it's so tough, toddlers and preschoolers can balance, crawl, and play on this climber. It's also molded seamlessly for a beautiful lifelike look that will fuel kids' imaginations. We offer adult Australian Shepherd Play Sculptures, too, making it easy to create a family of doggie friends your visitors and patrons can play with.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
