

Australian Shepherd

This Australian Shepherd Play Sculpture looks so real, the kids are going to want to take it home with them! Pets make kids feel safe, provide companionship and teach compassion and caring. This is in addition to playing, thinking and learning with this safe and recreational feature. Children can sit, crawl and climb on the Australian Shepherd Play Sculpture, expending energy and boosting brain power all at the same time. All The 4 Kids designs meet maximum safety standards for worry-free recreation.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
