

Aviation Pilot

Standing 6 feet 5 inches tall, this fully outfitted airplane Pilot looks ready to fly kids to the height of fun and excitement. So realistically rendered, this air captain fascinates children and adults alike as he welcomes visitors to a transportation themed play center. He looks as tough and capable as you'd expect an airplane pilot to be, and this superior play structure is durable for other reasons. Because of his high quality construction, he can withstand all weather conditions, saltspray, wear and tear while retaining his great looks and flawless finish for years.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
