

Avocado Sculpture

Whether you use the Avocado Sculpture as a fun bollard or as a way to spark kids' imaginations, it's sure to be an attention-getter. The sculpture, which also functions as a unique climber for kids, fits seamlessly with a range of themes, from garden to cuisine to healthy eating. The texture is engineered to mimic that of an actual avocado and the realistic coloring makes this climber seem ripe for the eating. The Avocado Sculpture looks fantastic with our other food climbers as well.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
