

Baby Protoceratops

This little guy will fit perfectly into any park or museum where there are plenty of children to play with. Kids will have a prehistoric blast climbing all over this Baby Protoceratops. Crafted from durable materials so it can withstand the test of time; and little ones rough climbing. Let it roam your Dinosaur Themed Playground and bring imagination to life.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
