

Baby Stegosaurus

Give kids of all ages an up-close dino experience with this adorable Baby Stegosaurus Sculpture. We manufacture play structures like this one to withstand climbing children as well as harsh weather and UV rays. At about 5 feet long and 3 feet high, this little dino will draw kids' attention--it may even become a popular photo spot! Built from durable, safe materials that will maintain its looks and texture for many years of enjoyment.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
