

Baby Triceratops

Small and sweet, the Baby Triceratops Sculpture is sure to work its way into your visitors' memories. This option shows the realistic finish, which features skin-like texture and dino-like colors. Built using super-durable material, this sculpture is tough enough to withstand weather and kids--perfect for indoor play places, museums, and dino-themed attractions. This sweet baby is part of our extensive dinosaur sculpture collection, so be sure to check them all out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
