

# Backyard Minifort

Every kid needs a place to escape to. This is the perfect play piece for little ones to play on in your backyard. The kids can play out back, while you work the grill. Everyone will have so much fun, climbing and sliding on their own Backyard Mini Fort. This is a great size for backyards, apartment courtyards and public parks. This fort offers a set of stairs and a fun slide. Crafted from glass fiber reinforced concrete, your play piece will last for many years and memories to come. If more fun is what you would like, we can add more to it! We could take off the stairs and add ADA Transfer Station. How about a swing set? We have many to choose from; with belt swings, ada swings, and bucket swings. For playground accessories, we have *log crawlers*, *stump step balancer*, and many more *fun products* to choose from.
