

Balance Beam

Our GFRC balance beam is crafted to resemble the rustic feel of nature. Its height and length can vary depending on your needs. Our GFRC products are made to be weather resistant and remain play ready for years to come. This beam is available in different heights to ensure that children can climb without the threat of a painful fall. This piece will help your little one work on their balancing motor skills. The 4 Kids specializes in creating one of a kind play pieces, if you don't see what you are looking for please let us know! We are here to help bring to life your dream play area! Pair this with our other balancing pieces to make for a great obstacle course.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
