

# Pole Stepper

This fun and unique pole stepper allows the children to freely work on their balancing skills. These poles are angled for children to maneuver easily. These are crafted from durable GFRC. This glass fiber reinforced concrete is a hardy and durable material that won't rot like wood, and still looks natural! With the foot holds notched out at 8" height this ensures safe and fun play. Here at The 4 Kids our customers enjoy adding a personal touch to a piece to make it unique. Call us today and get started on your one of a kind playground sculpture that the kids are sure to love.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
