

# Net Walk

This Net Walk play structure is a great addition to any playground. The posts are crafted from glass fiber reinforced concrete. This material is weather resistant and rust free, this is a great material for playgrounds because of its durability. The net offers the children a chance to work on their balancing and climbing skills while enjoying the playground. This Net Walk measures 10' in length and 5' in width the net is 2' off the ground, so it's in a safe height for falls. The 4 Kids first priority for playground equipment is safety. Our company is committed to creating one of kind pieces that adheres to playground safety codes as well as inspiring imaginations across the board.
