

Log Hurdles Bark

Balance, Jump, Race and Have Fun with our New Log Hurdles! Log Hurdles are a simple way for children ages 2+ to practice their balance and coordination, and have a blast doing it. Our Log Hurdles are made low to the ground to offer easy access and a short fall zone. With the realistic bark texture, achieved using GFRC (glass fiber reinforced concrete), children can enjoy sensory play by exploring the crevices and rough textures along the surface of the log. We also offer the [Log Hurdles](#) with a smooth texture for a different look. This item comes in 4', 6' and 8' lengths, but can be customized to what you need. Pair it with our [Stump Stepper Challenge](#) to really offer a natur-istic course of fun.
