

Bat Post Topper

You probably don't have bats in your belfry but you're going to love having them on your playground. The 4 Kids Bat Post Topper design adds an eerie drama to kid friendly venues that is anything but scary to fun-loving little ones who love all things spooky. Sitting atop the decorative posts at theme parks, indoor playgrounds, museum exhibits and family fun centers, The 4 Kids Bat Post Topper raises the level of excitement for kids and adults alike, enhancing the décor and kicking up the fun at entrances, along walkways or as signage. Realistically rendered down to the tiniest detail, the bat topper is sure to give your kids the goose bumps they want as they dare each other to touch and see if the creatures can actually fly. Park planners have their own reasons for being impressed with the Bat Post Toppers, since high quality craftsmanship ensures that the sculptures are virtually maintenance free in all weather for years of good looks and service.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
