

Bear Bench

This Bear might be lying around, but he's just saving you a special seat. Add special décor to your playground, restaurant or museum with a Bear Bench. This unique piece of furniture gets children excited about wild life. Everyone will want to take a seat. Like all of our sculptures, this one is designed to nurture the imagination and get kids moving. It's constructed to high safety standards using durable materials that children can climb and play on. The colors and finish will stay bright, for there are many photo ops to be had.
