

Bighorn Sheep Sculpture

Give young minds a peek into outdoor life with the Bighorn Sheep Sculpture. It's engineered to high safety standards, making it a fun climber and balancer for elementary age children. Shown here in the realistic finish, it's made with material that will keep its colors and finish for a long time. Like all The 4 Kids sculptures, it's low maintenance, too, which means less hassle for your staff. The Bighorn Sheep Sculpture would also make a great play sculpture for fairy tale themed projects.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
