

# Black Beard Sculpture

Poised and armed, legendary pirate Black Beard stands ready to take on all comers, at least those who would confront him on the playground. The 4 Kids' Black Beard Sculpture is a fascinating design for a pirate themed park or playground, community or commercial placement. Thrilling to kids who are inspired by pirates and whose imaginations immediately conjure up images of sea battles, treasure and walking the plank, this expertly designed sculpture is a marvel for adults also, who welcome the opportunity to do a bit of daydreaming of their own. Expertly designed and weather resistant, Black Beard is low maintenance with a high fun factor.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
