

Black Palm Cockatoo Post Topper

The 4 Kids Black Palm Cockatoo Post Topper is mesmerizing, perched as if ready for flight on top of utility posts in theme parks, at home as part of an eclectic décor scheme, in exotic décor venues, museums, resorts or family fun center. The posts can be used for anything, i as borders for walkways or entrances, supporting directional signage for visitors to park or zoo, or simply to define spaces in entertainment areas everywhere. The playground geniuses at The 4 Kids create works of playground art every day in the Greenville, Texas studios and this splendid Black Palm Cockatoo is no exception. Building exotic flair into the décor scheme for indoor or outdoor playscapes, posts topped with this lifelike replica will thrill and delight visitors, who will be convinced that this meticulously designed replica might move at any moment. Crafted from the highest quality materials using proven technology, the Black Palm Cockatoo Post Topper has built in strength and weather resistance that sets it apart from others.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
