

Blue Gold Macaw Pair Post Topper

Colorful and exotic, this Blue Gold Macaw Pair Post Topper brings the beauty of the jungle to life in theme parks, indoor or outdoor playgrounds, resorts, museums, retail spaces or anywhere that families gather for fun. The post toppers pose realistically, enthralling visitors to any venue in which they are included, heightening the overall excitement and adventure in parks and play centers. Intense color and meticulous design bring the birds to life as they line pathways, decorate entrances or point the way to fun and frolic in themed venues. Visitors are enthralled by the Post Topper replica, but park planners really love this unique, one of a kind design. Thanks to the high quality, hard wearing surface material, the Blue Gold Macaw Pair are united in their ability to weather all outdoor conditions for long lasting good looks and years of service. Even the salt spray of the ocean itself cannot harm the finish of this superior work of playground art from The 4 Kids.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
