

Fairfield Bollard

Enhance security and define perimeters with the modern lines of the Fairfield Bollard. Crafted with super-durable glass fiber reinforced concrete (GFRC), this security post will withstand both harsh weather and heavy impacts. We offer full customization, making it easy to provide exactly the size needed. Installation is simple, and we'll provide any install guidance your team needs to get the job done right. From offices to museums to schools, this bollard will add safety and beauty to any site. We love custom projects, so if you have something different in mind, please contact our consultants.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
