

# New Haven Illuminated Bollard

---

---

Lighted security posts like the New Haven Illuminated Bollard will add a measure of safety to your office building, school, hospital, or residential building. This model is engineered to provide street level lighting that bolsters security and marks boundaries or walkways. Like all our bollards, the New Haven is crafted from strong material that's weather resistant and holds up under heavy impact. Our team will customize this security post to any size, plus we offer a range of colors we can even match existing finishes on your site. Make your property more secure by investing in illuminated bollards.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
