

Bradford Bollard

When you need a security post that doesn't look over-bearing choose the Bradford Bollard. Designed to be both functional and visually appealing, this barrier offers classic lines that complement office buildings, schools, hospitals, museums, or residential buildings. The size is customizable, so you can be sure you're getting exactly what your project requires. The Bradford Bollard is engineered to withstand impacts, plus it features a low-maintenance finish. We've shown it here in concrete finish, but stone finish is also available. Whether your goal is to direct traffic or safeguard pedestrians, this security barrier is a smart investment.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
