

# Somerset Bollard

---

Bolster security, create livable streets, or divert traffic with the Somerset Bollard. We've designed this custom security post to withstand impact while adding visual appeal to any property, including casinos, schools, hospitals, museums, or office buildings. It's pictured here in the popular concrete finish, which is offered in many colors. Our team uses only high-quality material engineered to maintain its strength and durability through years of use. The Somerset Bollard's size is also customizable for the perfect look. This security post is easy to install and simple to maintain.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
