

Sullivan Bollard

Add appeal to your property while offering protection or guidance with the Sullivan Bollard. We use only high quality material proven to withstand both weather and impact, making it ideal for diverting traffic, protecting pedestrians, or outlining boundaries. The size is fully customizable so you get exactly what your project requires. Like all our security posts and barriers, the Sullivan Bollard is designed to be low maintenance, and it will maintain its look and texture for many years. Our team offers a variety of colors as well as color matching for existing amenities or buildings.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
