

Montour Bollard

Boost the eye appeal of a streetscape or landscape by adding the Montour Bollard to your school, college campus, hospital, or other property. Crafted with super-durable material, this security post is designed to last for many years. It's tough enough to withstand impact, helping to protect pedestrians, parked vehicles, and other property. We've shown it here in concrete finish, which is available in many colors. Our team also has the know how to color match for restoration projects. When you need an ornamental bollard that combines beauty with strength, the Montour is a natural choice.
