

Stonehurst Illuminated Bollard

Whether you're marking an entrance or an off limits area, the Stonehurst Illuminated Bollard delivers multi-function value and superior design. This model, with its curving lines and non - conventional style, makes a statement no matter where you install it, from schools to office buildings. It offers street-level illumination that adds an extra measure of security and guides pedestrians. The Stonehurst is also very durable, constructed from high-quality material that's resistant to both impact and the elements. Our team will mold this into the size that best suits your project.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
