

Darby Bollard Planter

Whether it's displayed in a public garden, outdoor dining area, or office building, the Darby Bollard Planter will make residents, guests, or visitors feel at home. With its classic planter design and trough shape, this bollard is the perfect way to boost green space. And although it looks like a conventional planter, it's also a fully functional bollard made with a composite (GFRC) that will resist impact, adding another layer of safety to your property. Use the Darby to calm traffic, prohibit parking, or make outdoor spaces more livable.
