

Abbott's Planter

Add status to your entry way with the streamline look of the Abbott's Planter Box; a piece that promises a durable addition to any setting. With the timeless strength of Glass Fiber Reinforced Concrete (GFRC), this multifunctional planter is sure to last while ensuring security and protection. Shown here in a concrete finish, it is also available in stone or coral finish. Our planters can be painted in just about any color; we can even color match for restoration or to match existing site amenities. Attractiveness with low maintenance.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
