

# Austin Round Planter

The Austin Round Planter was designed as a statement piece. This pipe-shaped planter combines form and function, creating a focal point in any space. Its cylindrical structure offers versatile dimensions, allowing it to be crafted in varying sizes and proportions to perfectly complement any style of greenery or tree display. Created for versatility in both indoor and outdoor environments, the Austin Round combines contemporary design with nature. Crafted from durable, architectural GFRC, this planter ensures long-lasting durability. Short, tall, quaint or large, we can make it all. Contact our team to get started on your project today.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
