

# Faceted Planter

THE 4 KIDS, INC.

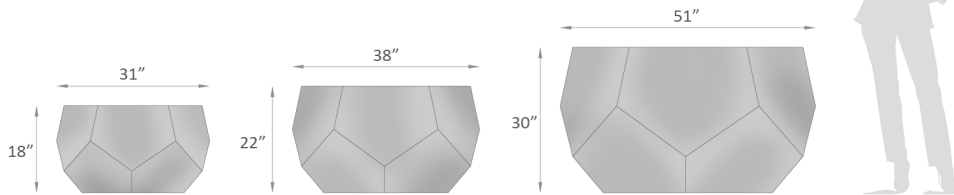

**PRODUCT DESCRIPTION**

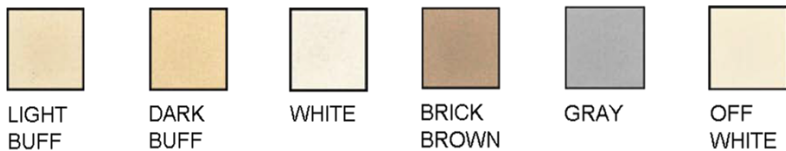

Exquisitely handcrafted with distinct detailing, the Faceted Planter will make a unique addition by adding beauty and functionality to your setting. This versatile piece serves as an attractive planter and sturdy bollard, ensuring both aesthetic appeal and security detail.

Crafted from GFRG, glass fiber reinforced concrete, a material that is re-inforced with interlocking fibers instead of steel. This distinct site amenity is resistant to harsh winters and torrid summers. Welcome tourists and patrons with the beauty of the simplicity. Molded to just about any size, these are customized to fit your project's needs. Call us to get started shaping today.

- Customize with a variety of colors and sizes for a personalized touch
- Endures harsh weather conditions, maintaining elegance over time
- We offer color samples and consultation to help personalize your project
- Just one amongst our vast collection of site amenities
