

Border Collie Sitting

You can almost see the wagging tail of this bouncy Border Collie from The 4 Kids, a delightful play sculpture that captivates children on the playground. Attentive and lifelike, kids will swear that if you threw a ball this dog would chase it. Designed by experts, the realistic crafting of this popular play structure is part of an extensive pets themed playground equipment collection that adds an exciting element to every park, and outdoor or indoor fun center. Kids love to pretend that the collie is a real pet, but they also love balancing and climbing on this work of playground sculpture. Crafted with the finest building materials, the Border Collie Play Sculpture is durable in all weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
