

Carrizo Boulder

Climb your way to the top of visitors' minds with impressive play structures like this one. Our Carrizo Boulder is a climber made so kids and teens can have fun while moving their bodies. Our designers craft this piece to look and feel like real stone, making it a natural fit for nature-themed attractions, public parks, state parks, military camp-grounds, or RV parks. We use super-tough, low-maintenance materials so it will maintain its beauty and function for years.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
