

Boxer 2

Ready to play?
This Boxer, featuring a realistic finish, captures the beauty and sweetness of this breed. Our artisans design all our indoor-outdoor play structures to withstand weather conditions, from storms to sunlight. The materials used are environmentally friendly, durable, and safe for little ones to play on. Standing less than 3 feet tall, this is the perfect height for little ones to explore the Boxer. This sculpture is great for Children's Hospitals and Museums, Public Parks, and even Hotels.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
