

Boxer Play Sculpture

Standing alert and ready to play, The 4 Kids' Boxer Play Sculpture is just one of a collection of adorable pets for themed parks or playgrounds, and outdoor or indoor play centers. Poised for fun and lifelike, the boxer is a welcome playmate for kids on the playground, especially when they learn that this particular work of doggie art lends itself for balancing, climbing and crawling. A perfectly designed canine play structure, the boxer is crafted from superior materials with a choice of five finishes, and requires a very low maintenance commitment. Safe and sturdy in all weather, the boxer is a delightful addition to every pets themed play area.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
