

Boxer Pup

This sweetie looks ready for mischief! The Boxer Pup Sculpture is the perfect play companion for toddlers and preschool children. Our expert artisans crafted this climber with natural looking details, like those adorable wrinkles, that inspire kids to play and imagine. The material we use is known for its toughness and durability, so this piece will maintain its look for many years no matter what Mother Nature or toddlers dish out. An adult Boxer Play Sculpture is also available.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
