

Information Kiosks

BY THE 4 KIDS

Guide patrons around your zoo, family resort, national park or learning center with interactive computer screens housed in our protective Palo Duro Information Kiosks. Use Information Kiosks to inform visitors what is going on, where it is and how to get there. Our kiosks can be fitted with sliding polycarbonate panels to offer protection from the elements. Custom roofing can provide some shade from the hot sun.

3-Sided Kiosk

Made from safe and durable materials that show little wear and tear, you can rest assured it will look nice for years to come.

Durable Innovative Materials

Crafted using GFRC to ensure a long life of use; whether it be in the mountains or along a park trail, our kiosks are built to stand up to the elements. Choose one of our designs or create something unique. It can be textured and colored to fit your needs and its surroundings. Custom roof styles and colors are offered.
