

Safety Rest Stops

BY: THE 4 KIDS

Kiosks

Kiosks provide a place to display park information, tourist attractions, directions or map a trail. You can choose how many sides you want, the texture and even the color for your information kiosk.

Choose the style that matches your travel station. Great for trail maps.

There are over 20 major highways to travel across the U.S. by. Along the way, you can find rest areas; an essential safety feature for drivers. These facilities are provided to reduce accidents caused by driver fatigue.

Rest stops allow travelers to take a break from long stretches to refresh and refuel before returning to the road. It also allows children to stretch their legs and let the wiggles out.

REST • RELAX • PLAY • RECHARGE
