

Brontosaurus Fountains

Go back in time with life size brontosaurus'. These leaf eating giants will inspire kids' imagination. Our Brontosaurus Fountains are a pair of life sized dinosaur sculptures constructed to replicate realistic qualities. From the elongated neck to the wrinkled skin, these dinosaurs will bring to life all the prehistoric dreams of little paleontologist. He measures 3 feet 6 inches wide by 12 feet high. For a Prehistoric theme park, indoor or outdoor splash pad, this dino will definitely give children a unique opportunity for interactive play with a majestic creature from the Jurassic past. Let The4Kids help you design your next prehistoric splash park. Our expert team of design and construction consults can answer your questions. The first initial consultation and quote is free!

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
