

Brookfield Bollard Planter

The stately lions on the Brookfield Bollard Planter are ready to add a touch of class to zoos, museums, resorts, and more. This is a fully functional bollard that's designed with high-quality material that will resist impact. Install the Brookfield to protect pedestrians or cyclists, define boundaries, or restrict parking--all while adding green space to the property. At The 4 Kids, we offer a full custom experience. The size will be customized to suit your project, and we offer a range of colors. Not sure about the lions? We have custom design services as well.
