

BRYANT PARK CAROUSEL

NEW YORK, NEW YORK

A Carousel of Twirling Enchantment

- Contributed unique enhancements to a historic carousel
- Crafted with meticulous attention to detail, featuring beautifully painted butterflies that adorn the top railing of the carousel.
- Uniquely colored to match the existing features
- We reconditioned and repainted the finial to harmonize with the carousel's vibrant design.

Challenge:

The City aimed to enhance the Bryant Park carousel as a vibrant urban attraction, providing a delightful experience for families and tourists. They sought to create an addition that would appeal to all ages while preserving the park's historic charm

Solution:

Our talented artists created intricate butterfly applications, capturing artistic details that reflect the park's unique charm. Alongside the hand-carved horses, these whimsical butterflies captivate visitors and enhance the carousel's charm. Nestled at the park's heart, it invites guests to enjoy a joyful ride.

BRYANT PARK CAROUSEL

NEW YORK, NEW YORK

Result:

The carousel has become a beloved attraction, drawing families and visitors from all over. It enhances the park's lively ambiance and encourages social interaction, making Bryant Park a cherished destination.

Next Step:

As visitors continue to enjoy the beauty of Bryant Park, we invite you to imagine the possibilities for your own space. Whether it's a recreational area, a playground, or a public art installation, let us help you create memorable features that inspire joy, ignite imaginations, and celebrate your community's unique spirit.
