

# Buffon Macaw Pair Post Topper

---

---

A pair of whimsical Buffon Macaws peers curiously from their perch atop a post in your favorite theme park or fun center, bringing a new level of style to walkway borders, entrances or signage. That's the beauty of The 4 Kids Buffon Macaw Pair Post Topper designs, created by the talented artists and sculptors in the Greenville, Texas studios of The 4 Kids. The delicately detailed pair of Macaws is beyond charming and perfectly accent a décor plan for parks, commercial entertainment venues, indoor and outdoor playgrounds, retail outlets, restaurants or anywhere decorative posts are used to define spaces and enhance décor. A favorite of visitors, the Macaws are also highly regarded by park staff, because of the high quality craftsmanship and low maintenance requirements. Even salt spray can't phase the superior finish on this customized work of playground art. As part of a collection of wildlife themed art, or as a stand-alone décor piece, the Buffon Macaw Pair Post Topper is exceptional.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
