

Buffon Macaw Pair Sculpture

Smaller than some of our other love bird pair sculptures, the vibrant colors of the Buffon Macaw Pair Sculpture are big in perception. Side by side, these birds are a perfect match for a zoo theme, safari display or jungle design. Wildlife and bird lovers will enjoy the realistic look of The 4 Kids nature sculptures. A choice of finishes enables you to make a perfect match for your new or existing display as well.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
