

# Bulldog Statue

---

---

Pictured here, concrete is one of five select finishes for The 4 Kids' Bulldog Playful Statue. This bulldog is perfectly sculpted and ready for fun on the playground or at any pets themed park. Other finishes include bronze, stone, realistic and translucent, and the bulldog is only one of an extensive collection of playground structures for pets themed playgrounds. Ideal for climbing and balancing, this quality work of playground art is a fitting example of art kids can play on. As our little bulldog makes friends on the playground, the children who interact with him enjoy a play experience like no other.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
