

Butterfly Canopy

You don't have to shrink your kids to give them the magical opportunity of sitting beneath the beautiful wings of a colorful butterfly. The 4 Kids has you covered with a custom created and unique Butterfly Canopy. Colors that reflect the sun's rays onto the ground beneath, the butterfly canopy is supported by four slim posts, hardly noticeable so that the canopy looks like a real butterfly in flight. Constructed from superior building materials, the butterfly is safe and virtually maintenance free, and fits perfectly in an insect themed park, playground, or community or commercial fun center.
