

Cairn Rock Climber

The Cairn Rock Climber from The 4 Kids is innovatively designed to provide a playful learning experience based on the natural world. These strategically stacked, rock-like chunks of glass fiber reinforced concrete will excite kids into reaching the top, to conquer the heights of this rocky tower. Constructed with safety and quality in mind, this structure is extremely strong and will hold up under any weather conditions. It is easy to maintain and requires no special cleaning.
