

Calf Play Sculpture

A baby animal is like a magnet for kids, especially when it is part of a fun playground experience. With The 4 Kids' Calf Play Sculpture, it's even more fun, because the calf is a permanent fixture on the park or playground. Realistic and lifelike down to its black and white coloring, the Calf Play Sculpture is perfect for helping to develop skills like balance, coordination and imagination. As part of a Farm or Frontier themed park or play center, the calf lends an air of authenticity that is priceless. Built for kids from 2 to 12 years old, The 4 Kids' Calf Play Sculpture is safe, sturdy and virtually maintenance free.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
