Challenge:

Divosta Homes called, asking us to create something special for their residents of Mallory Park in Lakewood Ranch, Florida. They had a large space they wanted to fill with a nature themed play area, suitable for children of all ages.

Solution:

The children of Mallory Park can enjoy their days in a custom designed play area. They can create an adventure in the clubhouse then slide down to the nearby tunnel berm, complete with slides and a 10ft long tunnel. There are swings, a double log slide, animal sculptures and balancing pieces. Parents can relax under the gazebo, while watching their little ones run around the enclosed play area.
